

Religious Approaches To

Inequality

**Public seminar
Wednesday 13 April, 7pm
Wellington Islamic Centre,
7 Queens Drive, Kilbirnie**

Inequality has been around since biblical times – based on economic position, gender, race, and other factors. Our Abrahamic religions have approaches to inequality that have many similarities but significant and interesting differences. Come to this public seminar, and learn more about how religions can contribute to the public discourse about inequality, led by our speakers:

**Carol Ratnam – Wellington Progressive Jewish Congregation
Bishop Justin Duckworth – Wellington Anglican Diocese
Kerem Caliskan – Pearl of the Islands Foundation**

All welcome – we look forward to seeing you there!
