

Join us for the 3rd Wellington Peacenic

Trentham Memorial Park, Upper Hutt
Sunday 20 February 2022 from 2pm–5pm

Trentham Memorial Park has a playground, toilets, shade trees, and easy parking.

Peacenic began in Auckland in 2016. It grew out of a desire to replace the polarising bad-news stories that dominate the media with real experiences of hospitality and friendship in our own backyard. The simplest gift of sharing time and food is rewarding in itself but goes beyond that to offer a glimpse of the world as it could be. In our increasingly multi-religious, multi-ethnic community, we want to help build bridges across the divisions that have historically separated

Muslims,
Jews and
Christians.

Trentham Memorial Park is just half an hour's drive from Wellington CBD (put '43 Brentwood Street' into Maps).

Bring food to share but be sensitive to other faiths' dietary requirements; ask if you are not sure. Please take rubbish away with you.

Invite friends of other faiths, consider car pooling...and enjoy yourself!
